### BOOSTERS MEET MONDAY

The first Fall Meeting for the Wilmington High School Boosters is to be held Monday, at 8 pm in the Small Cafeteria of the High School.

New members are invited. During the past few years, the booster programs have been expanded. The help and cooperation of new members will be very much appreciated.

The purpose of the Boster Club is to help the Wilmington High School athletes.

IT WILL PUT A TOOTHPICK ON A 30 STORY BUILDING: The biggest crane in the world, mounted on rubber, now belongs to the Baldwin Steel Erection Company of Wilmington, and is shown here as it drove up Middlesex Avenue, last week, to its new home on Upton Court.

The boom is long enough to allow the operator to land a steel beam - or a toothpick - on top of a 30 story building.

## Alice Chisholm Missed The Fun

Miss Alice Chisholm, daughter of Mr and Mrs Leonard Chisholm of Hopkins Street did not get to Czechoslovakia.

She was scheduled to arrive in that country a week ago, to take part in a Geology Conference, involving professors and students from several dozen countries.

Part of the group with which she was to meet had arrived in Czechoslovakia before the Russians and their allies poured their troops into that unhappy country.

But Alice had got only as far as London, and when the Russian troops marched, she was outside, looking in - and her friends were inside - looking out!

## Ken Wilson has Heart Attack

Kenneth Wilson, 400 Andover Street, suffered a heart attack last week, and will not be playing the organ for some time.

The attack, described as mild, came unexpectedly, and Mr. Wilson is said to be recovering nicely.

The well known organist of Radio Station WHDH, and for the Hammond Castle on Cape Ann,

is well known to Wilmington residents. Before moving to his present home, which has a beautiful Japanese Garden behind it, he lived on Suncrest Avenue for a number of years.

The ladies of the Wilmington Women's Club, who had been planning a Japanese Garden Party at the Wilson home, have decided to call it off, as a result.

## Nosey Nancy

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, or after five, 658-4865. I'm not there, I'll call you.

Well, this kid is back from her vacation...the first one in twenty years, and she feels right now like she needed a twenty-year vacation! It's nice to be so sorely missed, it makes one feel just great! However...none

of the ends are meeting this week and you know what I mean, between our several enterprises and ten kids getting situated, things are in more than their usual chaos so if for any reason, I am supposed to contact you, be assured I'll get to it, or call me at the number 657-7141, and remind me that I was supposed to call you! Now for our various and sundries:

We hear that Mrs Alfred Fairweather of Shawheen Avenue has returned from a two-week tour of Europe with Mrs Mary Long, the daughter in law of former Com Henry Long of the Dept of Corporation and Taxation in the State House...John H Cantlin, the Pres of Smithcraft has been elected a Corporate Member of Morgan Memorial Inc of Boston...Ed Rando of 11 Marie Drive is serving on the Management Development and Seminars Committee of the Boston Chapter of Administrative Management Society. Ed is employed with the Hills Dept St Shoe Corporation in Boston.... Roger MacDonald of 20 Roberts Road is serving on the Publications Committee of the Administrative Management Society of Boston. He works with the Royal Typewriter Company Inc in Brighton....Richard Lyford of 187 Middlesex Avenue is a freshman at Colgate.

Four fairies from Lawrence St helped Higgie by filling about 600 bags of peanuts while she was gone. Haven't yet discovered what

the peanuts were for, because Higgie was running for her train as usual, but...anyway, that's great gals...Girl Scouts we believe?

Speaking of Girl Scouts...the fathers of Cadette Troop 354 are out to help get rid of your newspapers and rags that have accumulated during the summer. The drive will be on September 14th at the Congregational Church..... Mark up that date!

Jeannie Foley, the Girl Scout Organizer is back in town, and she tells me that she has noticed some brand new faces. If there are Mothers or Dads interested in Scouting, please call Jean at 658-3718.

Two Girl Scout Leaders and one member of the League of Women Voters traveled all the way to Prince Edwards Island to check on Girl Guiding and Womens Vote Leaguers. Glad they didn't get lost on account of we'd be very hard put without them this year!

Wanta be a Nurses Aide? The Winchester Hospital is offering a training program starting on September 23rd, consisting of classroom instruction, demonstration and practical experience in patient care.

This is a four week course and with the addition of the Continuing Care Unit on Swanton Street and the expanded services of the hospital, there will be new opportunities opening up for people interested in learning patient care.

Trainees completing the training program are eligible to join the staff of the Hospital as a Nurses Aide.

Memorial Gifts honoring the late Mrs Elizabeth Lawrence have been given to the Heart Fund for support of their research programs.

Now, our fellas: Billy Rice is still home and will be shipping out for Vietnam next week....Gary Balsar chatted a long time with us this week while waiting for a train, and was asking for all of you guys...He suggested that you send me a C Ration for my supper, so that I could report what it's all about...He says some of them aren't bad...although he did admit that he wouldn't want to live on them like Ronnie Park

has to do...He says that sometimes when kids come in from the field who have been living on these rations for a while, they'll keep coming through the chow line three and four times, until they almost burst (Gary is an Air Force man, if you folks don't know...you know...the peanut butter brigade?)....Fred Shine has gone back and his new address is USS MATTA-PONI AO 41, FPO San Francisco 96601....Joe Balestrieri, Jr of 32 Ellsworth Road in Melrose has been promoted to A/1c in the Air Force at Maguire Air Force Base in New Jersey (Congratulations, Joe!)

Ronnie Park sent us some new postcards and they certainly are pretty: 'Dear Nancy: Just a short note to let you know that I haven't forgotten about your post card collection. I was on my way to work and had a few minutes to kill, so stopped at the PX to see what kind of cards they had in. These were new ones so I will send them along. I am on my lunch hour at work so this is why you are getting a letter on this type of paper.

'Well, only 35 days to go and it sure is dragging by. See you when I get home. Yours truly Ronnie Park. PS I hope these post cards aren't the same of any I sent before. PS The other night I picked up an Army guy and gave him a ride. He knew your son Doug. He is from North Reading and went to school with Doug at Essex. He said he roomed with Doug. I forgot his name though!

(Small world, huh Ron! Doug and I put our heads together, but still haven't figured out who it was...No doubt it will come to us though cause Essex isn't an awfully big school...We certainly are looking forward to chewing the fat with you You've been a model correspondent I must say, and I and the folks here all appreciate your conscientiousness. You're just great!) Last week, Ron wrote and I didn't have a chance to let you hear it, so here you are: 19 Aug 68. Dear Nancy: I am sorry for not writing sooner but with the work load we have, it has been hard keeping up to writing letters.

I just got back from my R&R to Australia. I sure had a wonderful time too. The people are real good to the Americans.

## Drill Practice Changes for Crusaders

Wilmington's two Bugle & Drum Corps, the Crusaders and the Swordsmen, took a trip to Lunenburg, Sunday, to put on an exhibition at Whalom Park. They were very well received, and after the exhibition were guests of the management, for lunch, and for all the amusements.

The Crusaders will be changing their drill practice, now that school has started. Practice will be on Sundays, from 11 am to 1 pm at the Wilmington Plaza.

The schedule has been planned so as not to interfere with school studies, and to give the youngsters an opportunity to attend church, and still have a free Sunday after-

Achieving equality in medicine has been a hard struggle for women.

In 1873, less than a century ago, the first graduating class of America's premier women's medical college had just six members.

The situation is quite different today. Women are wanted by medical schools.

They now comprise about 10 per cent of all medical students, compared with less than 5 per cent in 1940.

However, in spite of this upsurge, the United States trails badly behind other countries in training women for medical careers. Many more are needed!

There is greater participation today. More and more women are becoming pharmacists.

'If you are old enough to vote, you have to. If you don't vote, you pay a fine. It was winter down there, but it wasn't that cold. I would go back there tomorrow if I could.

We think that the School Department and Walter Pierce should be complimented on the Wilmington School News...This is a great addition to our Town. And what's more the order in the High School was absolutely amazing...Flowers to Barney, John Hamilton, and Harold as well as all of the lovely secretaries! Back at the Shop - the TC we mean - this week, it really has been some week for the personnel. The Captain's Son, Peter,

was in an accident on Tuesday night and is now confined to the Winchester Hospital which seems to have determined a few bruises black eyes, and broken bones; one of the clan has had her session at the MGH; and Flora has just become a grandmother for the second time to another potential football tackle, a son to Carole, who is in the Melrose-Wakefield Hospital. So far, Henry has escaped. He hasn't mentioned anything about any of his relatives.. He doesn't dare!

Thought you might enjoy one of the gems we encountered hanging in a Mill shop while on vacation: The title? Why Worry!

'There are just two things to worry about. Either you are well or you are sick. If you are well, there's nothing to worry about. If you are sick, there are only two things to worry about.

Either you will get well or you will die. If you get well, there's nothing to worry about. If you die, there are only two things to worry about. Either you will go to heaven or you will go to H---.

If you go to heaven, there's nothing to worry about. If you go to the other place, you'll be so darned busy shaking hands with friends that you won't have any time to worry!

How true!

Dame Rumor has been confirmed For several weeks this gal has heard that former Selectman Lloyd C Bender has bought the Stately building, beside the Reading Savings Bank, in Wilmington Square.

Now, positively, it is a fact. What colors are you going to paint it, Lloyd?

## Letter

OPEN LETTER TO WILMINGTON CITIZENS

Dear Friends:

First: From the bottom of my heart, I want to thank the families of the girls and boys who registered for the Pop Warner Football Teams and the Cheerleader Teams. The response was beyond my fondest expectations.

Second: I am sorry that we got so much response, and I'll explain why.

During the summer, we signed up two Football teams in the Pop Warner League, consisting of 80 boys and we managed to meet our expenses of \$2200 for uniforms insurance, etc. We were hard put to find 80 interested and capable boys for these teams. So a few weeks ago, we advertised our program and the registration nights There was an overwhelming response of 187 boy applicants.

They are now undergoing rigorous trouts. This Saturday, 80 boys will be officially registered on the rosters and will take their physical examinations. Some boys have voluntarily dropped out, but we have 67 enthusiastic, dyed-in-the-wool, hard-core prospective football players who refuse to acknowledge that there is no place for them in the Pop Warner Football Program.

I hate to 'drop' any of the boys.

97 Girls applied for the Cheerleader positions, and 22 girls were chosen - 11 for each team. The 75 remaining girls have formed a Pop Warner Pep Club.

Third: Since we generally have a financial drive in the fall to help defray the costs of officials at each game, and other contingencies, this year we have decided to outfit the Pep Club with jerseys beanies, and shakers, and also somehow, we wish to keep these 67 enthusiastic boys in the program by having them enroll in a Flag Football program (like a farm team).

To do this, we are going to need much more money than we anticipated, and we are going to have a Decal and Bumper Sticker Drive on Saturday, September 14th when the boys will call on all of you in their sales.

Fourth: We wish to thank all - everyone - including the civic organizations who have helped us in the past, and we sincerely hope that the Citizens of the Town will support us in our Drive next week, and help us out of this fix, so that we can encourage these fine young people!

Sincerely yours,  
Rico Catalano, Director  
Pop Warner League

# New Power Station Planned

The Reading Municipal Light Department has outlined plans for a new substation, on the west side of Reading, which is expected to lower electricity costs in the four towns served - Reading, Wilmington, North Reading and part of Lynnfield.

A 5.4 acre tract of land off Causeway Road, in Reading is planned for the site of construction of a sub-station which would have the specific purpose of getting additional 115KV power from the Edison facilities in Woburn, and stepping it down to 13.8 KV for transmission through the Reading

noon. When the weather becomes too cold to practice outside the corps will move to an inside drill hall.

Practice for the coming Color Guard competition and the Standstill contests is beginning this week.

The monthly meeting of the parent body of the two corps will be next Monday, at the home of the president, LeRoy Wallace, 4 Oakridge Circle, starting at 8 pm. Election of officers is scheduled.

The planned baseball game with the Millis Knights, scheduled for Sept. 8th., has been changed to September 29. This is because of a commitment that the Knights had made.

There are now about one hundred and fifty youngsters in the two corps, but there is still room for more.

During the past two years there have been many changes in the operation, and the inevitable growing pains have been experienced, but they are now of a firm base, and a goodly number of interested adults are taking part.

It is now felt that the Crusaders and the Swordsmen can offer the best of a nation-wide activity to the young people of Wilmington. The recent nationals competition in Lowell, and the World Open contest in Lynn prove that people all across the country are interested in Drum Corps activities.

In the elimination programs, which lead to these two contests, over 60,000 youngsters took part. They traveled thousands of miles just to have an opportunity to compete.

For information on the Swordsmen, or the Crusaders, call 658-8100, or 657-7146

MLD system.

Construction is planned for a one story building, approximately 40 by 60 feet, which would house the step-down and switch gear. It would not be a building for the generation or manufacture of power. The new building would be visible to commuters using Interstate Route 93.

Light Department Manager Kenneth Gaw says that the project tentatively would cost about one million dollars. No architect has been engaged, as yet, but engineering surveys are underway.

The Causeway Road site, which is nearly across Rte 93 from the Edison power station on Dragon Court, in Woburn, is the logical place, Gaw says, for the new substation.

The 115 KV power lines at Dragon Court can be tapped, and power brought into Reading by easements over private property.

Before the Reading Municipal Light Department can proceed with such a project it must get the per-

mission of the Town of Reading Town Meeting, to borrow money. Repayment of the money would be from the revenues of the Light Department. ZXVPWS

The regular meeting of the Club was held at the VFW Hall on Main St on Wednesday Sept 4th. The guest speaker was Tony Krzymynski, the principal Assessor for the Town of Wilmington.

The annual Lions Bulb, Broom and Towel Drive will be conducted house to house throughout the entire town of Wilmington on Sunday, Sept 29, 1968. This is the last Sunday in September.

Please help the Club to continue its work on behalf of those who are blind by purchasing whatever you can from one of the Wilmington Lions when he calls on you.
